

Academic Performance	Vice President, Academic and Provost	2016 Jun
----------------------	--------------------------------------	----------

--	--	--

Douglas College provides an environment that encourages and celebrates academic excellence, individual initiative and responsibility as students progress toward their educational goals. This policy outlines the commitment to academic performance expected of all students, the consequences for unsatisfactory academic performance and the means by which the College recognizes academic excellence.

- Counsellors
- Deans
- Program Chairs/Coordinators
- Registrar
- Students

a notification in writing that a student's cumulative Grade Point Average has slipped below satisfactory levels and that improvement is required if the student is to avoid Academic Probation

a state of limited or suspended registration privileges arising from unsatisfactory academic performance as evidenced by a cumulative Grade Point Average below the minimum required for good standing

None

None
