

D

Are you looking for a fantastic opportunity to work with youth and have a fulfilling and rewarding experience?

Ridge Meadows Soccer Club is looking for volunteers to help run our newly introduced Adaptive Program designed for youth with cognitive and physical disabilities ages 6-16 years old!

Ideal candidates are those who enjoy working with youth, have played or play soccer (although not necessary), high school students looking for volunteer hours for graduation and those who have a passion for being a part of the community!
