O: Methods of Instruction

The lecture time will be spent in the analysis, performance and discussion of the musical styles and materials of the periods under consideration. Important and characteristic compositions of composers will be selected for intensive analysis. In addition, pertinent information with respect to the cultural, social and political background of each period will be introduced at appropriate times. As much time as is possible will be devoted to listening in the lecture period but all lectures will prescribe listening assignments of the music studied in class and other music in similar styles.
